## Terms of Service for Piers Island Residents

This non-profit organization relies on community support through membership and the purchase of services. Scheduled services are sustained by pre-sale purchases.

We offer two levels of annual membership for Piers Island Residents and the use of our services. Memberships must be purchased before May 31<sup>st</sup>, 2024 and are effective to

June 1, 2025.

- 1) **Founding Member** - \$500 Provides the member access to all Society services without exception for the membership term of one year. The member receives a 5 punch card which entitles them to use of the scheduled service for the year. The member may purchase additional punch cards at the discounted pre-sale rate until May 31, 2024. The 5 punch card may be used by members, guests or trades.
- 2) **Individual Member** - \$25 Provides the member access to all Society services EXCEPT the scheduled Piers Island service. A pre-sale purchase of at least one punch card must be purchased to gain access to the scheduled runs. Cards purchased may be used by members, guests and trades.

### Exceptions:

In the case of new owners or residents to Piers Island we will offer membership at the time of their ownership or occupancy.

If an existing member (who has purchased cards in pre-sale) has another member of their household/family who wishes to become a member after May 31, the new member will be able to purchase single tickets or 10 punch card to use the scheduled services.

### Pre-sale cards offered to all members until May 31<sup>st</sup>, 2024
